

Backyard Composting - Correct Application of

YardWise

A Course for Yard Care

The "YardWise" program is a FREE annual course available to all Harris County residents interested in learning more about environmentally responsible yard care. This two hour course is a shorter version of our annual full day YardWise class. Participants will experience a classroom session that features lectures, slides, and some field instruction.

Some Yard Care topics that may be covered:

- Backyard Composting
- "Don't Bag It" Plan
- Integrated Pest Management
- Less Toxic Alternatives
- Mulching & Grasscycling
- Vermi-Composting
- WaterSmart
- Xeriscaping

Date of event: Wednesday, April 25th from 10 am - Noon

Location: Doss Community Center

2500 Frick Rd., Houston TX 77038

If you are interested in participating in the YardWise Course, contact us by phone, email or visit <http://www.cleanwaterclearchoice.org/hhw/yardwise.asp>.
