WHAT NOT TO BRING?

Business Waste, Medical Waste, Radioactive Waste, PCBs or Dioxins, Ammunition, Explosives, Compressed Gas Cylinders, Smoke Detectors, Washers or Dryers, Refrigerators, Freezers, Air Conditioners, or Household Trash

SAFETY TIPS! (How should I prepare materials for transport to the collection site?)

- Bring products in their original containers—Do not mix products!
- Make sure containers are properly sealed and labeled correctly
- If the container leaks, pack in larger container and use absorbent, such as cat litter, to soak up leaks
- If you do not know what it is, mark it “unknown”
- If possible, place materials in cardboard boxes—boxes with dividers make for good packaging
- Place materials in areas away from drivers and passengers

For more information call (713) 290-3000 or visit www.CleanWaterClearChoice.org

Be sure to stop by our FREE reusable products

Learn more about less toxic alternatives to hazardous products!

This event is sponsored by Harris County, Harris County Precinct 2 and the City of Baytown.
