

2009 EPA Region 6 MS4 Operators Conference
Monday June 22 through Thursday June 25, 2009
Hilton-Americas and George R. Brown Convention Center, Houston, Texas

Call for Papers

The 11th annual EPA region 6 MS4 Operator's Conference will be held in Houston from June 22-25, 2009. Please plan to attend and bring your knowledge and experience to share with your Region 6 colleagues.

The list of proposed technical tracks for the operator's sessions follows:

Industrial/Pollution Prevention	Report Writing
Watershed Management	Construction Controls
Total Maximum Daily Loading	Post Construction Controls
Public Outreach /Education	Stream Protection and Restoration
Legal/Policy	Design/Technical
Audits – Phase I and/or Phase II	Sustainable Development
Illicit Discharges	Erosion Control
Lessons Learned	Innovative and New Technologies
Case Studies – Phase I	

Some topic overlap is unavoidable, of course, so papers that span multiple, related topics are acceptable. Papers should not be related to a proprietary process or product. The exhibitor booths are more appropriate and effective for that activity.

If you have some information to share or just want to show off, please submit an abstract of your paper or presentation of 500 words or less by February 15, 2009. Submit to:

Submit papers to:
