

# SWIM PROGRAM SAFETY PROCEDURES and TIPS

FOR STORM WATER INLET  
MARKING TEAM LEADERS

---

## *REMEMBER: SAFETY FIRST!*

- Prior to marking ALL waivers must be signed and returned.
- Marking is a group activity, requiring a minimum of two people.
- There should NEVER be any marking done alone.
- Remember to wear clothing you do not mind getting dirty.
- At least 2 people should wear safety vests.
- Please designate persons to wave safety flags in case of street traffic. Traffic cones are used to alert vehicular traffic.
- Bring paper towels or a rag to wipe up.
- Any storm drain with oil, paint or any other hazardous substances should be noted and reported to the SWIM Team Leader for your project.
- Orally review these safety procedures with your volunteer groups.

**Please return safety vests, cones and brushes to:** Harris County Watershed Protection Group, 10555 Northwest Freeway, Suite 220, Houston, Texas 77092.
